

Make a scarecrow
No more than
2 foot high

Maybe you could
put him on a stick
ready to take to
Littlehampton
Bonfire Parade
27th October 2018

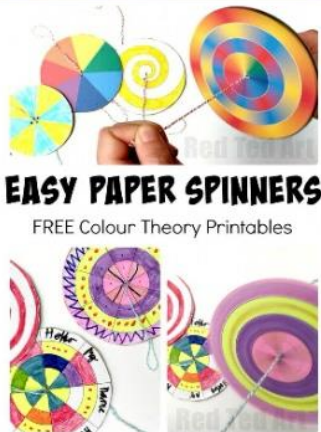

Make a football match in a seed tray

It does not have to be
people. It could be minions
or fairies or monkeys or
robots or dogs ???

All these ideas are for you to look at
You do not need to copy them.
If you come along to
Fletchers field on 7th July
We will show you how to make
Spinners, finger Puppets and
Sea creatures

Farmyard
Biscuits
You can decorate
any biscuit bought
or home made

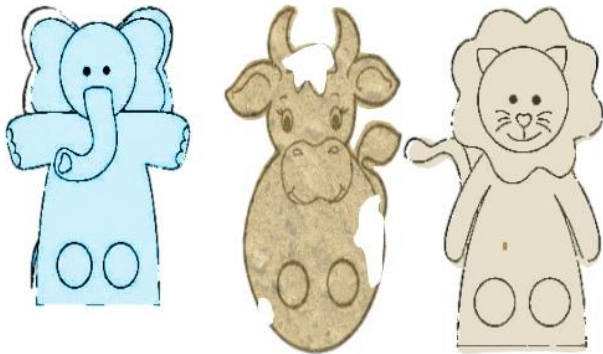

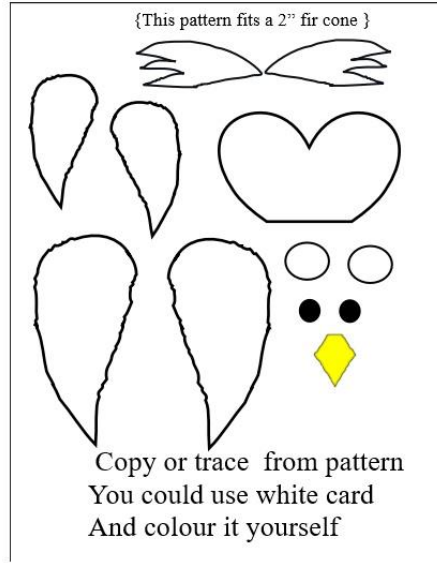

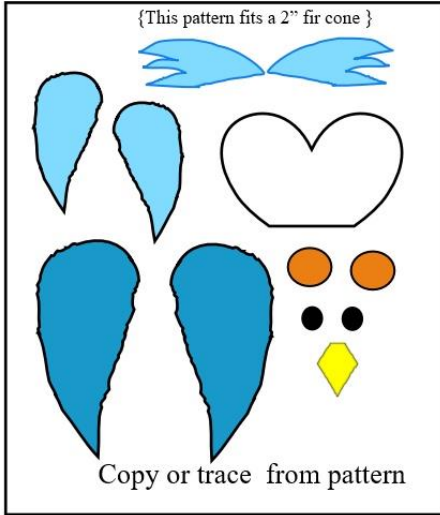

**How to make a fir cone Owl
this is what you need:**

A closed fir cone would be best.
Either Felt or Card would be suitable in the following colours:
Dark blue, Light Blue, Yellow
Brown, Black and White.
In addition Brown or Black thin pipe cleaners.

First make the feet. That way the owl should stand up on its own which makes it easier to stick on cut out pieces onto the owl.
Cut one pipe cleaner into four
fold each piece in half
glue the bend and push into bottom of fir cone
bend ends downward to make feet
Cut if to long

Finger puppets for you to colour.
Cut out after you have downloaded instructions from the Angmering Flower Show Web site.
They must be printed on to card .
You can also colour them in at the **Fletcher's field show on the Peter and Paul fete on 7th July**
or take one home and bring to the show on the day

Sea Creatures

Made from Shells, pipe cleaners, Felt ,paint , glue and google eyes .
